The aggregate nominal amount of Notes outstanding will not at any time exceed €1,500,000,000 (or the equivalent in other currencies).*

*This Base Prospectus (together with any supplements hereto, each a "**Supplement**") constitutes a base prospectus for the purposes of Article 8 of Regulation (EU) 2017/1129, as may be amended from time to time (the "**Prospectus Regulation**"). This Base Prospectus has been approved by the Autorité des marchés financiers (the "**AMF**") in France in its capacity as competent authority under the Prospectus Regulation and received the approval no. 20-381 on 5 August 2020. The AMF only approves this Base Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of the Issuer and of the quality of the Notes which are subject to this Base Prospectus. Investors should make their own assessment as to the suitability of investing in the Notes.*

*For a period of twelve (12) months following the date of this Base Prospectus, application may be made (i) to the regulated market of Euronext Paris ("**Euronext Paris**") to be admitted to trading on Euronext Paris and/or (ii) to the listing authority of any other Member State of the European Economic Area ("**EEA**") or the United Kingdom (the "**UK**") for Notes to be admitted to trading on a Regulated Market (as defined below) in such Member State, provided that the Base Prospectus is completed by one or more supplements, pursuant to Article 23 of the Prospectus Regulation, following the occurrence of any significant new factor, material mistake or material inaccuracy relating to the information included (including information incorporated by reference) in this Base Prospectus which may affect investors' assessment of the Notes. After 5 August 2021, the Base Prospectus, as supplemented, will expire and the obligation to supplement this Base Prospectus in the event of significant new factors, material mistakes or material inaccuracies will no longer apply. Euronext Paris is a regulated market (a "**Regulated Market**") for the purposes of Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**").*

*The price and the amount of the relevant Notes to be issued under the Programme will be determined by the Issuer and the relevant Dealer(s) (as defined below) based on the prevailing market conditions at the time of the issue of such Notes and will be set out in the relevant final terms (the "**Final Terms**") (a form of which is contained herein). Notes may be issued at their nominal amount or at a discount or premium to their nominal amount.*

*Notes may be issued either in dematerialised form ("**Dematerialised Notes**") or in materialised form ("**Materialised Notes**") as more fully described herein.*

("**Clearstream, Luxembourg**") or in registered dematerialised form (au nominatif) and, in such latter case, at the option of the relevant Noteholder (as defined in Condition 1(c)(iv)), in either fully registered form (au nominatif pur), in which case they will be inscribed either with the Issuer or with the registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (au nominatif administré) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholders.*

*Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a "**Temporary Global Certificate**") will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will be exchanged for Definitive Materialised Notes in bearer form with, where applicable, coupons for interest attached, on or after a date expected to be on or about the fortieth calendar day after the issue date of the Notes (subject to postponement as described in "Temporary Global Certificates issued in respect of Materialised Notes" below) upon certification as to non U.S. beneficial ownership as more fully described herein. Notes issued under the Programme may, or may not, be rated. The rating (if any) may be specified in the relevant Final Terms. The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under Regulation (EC) No 1060/2009 (as amended) on credit rating agencies ("**CRA Regulation**"). If such credit rating agency is registered under the CRA Regulation, the Final Terms shall specify that such credit rating agency is included in the list of credit rating agencies published by the European Securities and Markets Authority ("**ESMA**") on its website in accordance with the CRA Regulation (<https://www.esma.europa.eu/supervision/credit-rating-agencies/risk>). As of the date of this Base Prospectus, S&P appears on the list of registered and certified rating agencies published by ESMA. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change, or withdrawal at any time by the assigning rating agency.*

Prospective investors should have regard to the factors described under the section headed "Risk Factors" in this Base Prospectus. This Base Prospectus does not describe all of the risks of an investment in the Notes.

Arranger and Dealer for the Programme

BNP Paribas

This Base Prospectus (including the documents incorporated by reference thereto), as may be supplemented from time to time, constitutes a base prospectus for the purposes of Article 8 of the Prospectus Regulation and for the purpose of giving all necessary information with regard to the Issuer or the Issuer and its consolidated subsidiaries taken as a whole (the "**Group**") and the Notes which, according to the particular nature of the Issuer and the Notes, is material to an investor to make an informed assessment of the assets and liabilities, financial position, profit and losses and prospects of the Issuer and the rights attached to the Notes.

No person has been authorised to give any information or to make any representation other than those contained or incorporated by reference in this Base Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arranger. Neither the delivery of this Base Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof or the date upon which this Base Prospectus has been most recently supplemented or that there has been no adverse change in the financial position of the Issuer or the Group since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

In this Base Prospectus, "**Arranger**" and "**Permanent Dealer**" means BNP Paribas and "**Dealer**" means any further dealer appointed in connection with the Programme or with respect to any specific issue of Notes.

The distribution of this Base Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus comes are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restriction. The Notes have not been and will not be registered under the U.S. Securities Act of 1933 as amended (the "**Securities Act**") or with any securities regulatory authority of any State or other jurisdiction of the United States, and the Notes may include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold, in the case of Notes in bearer form, or delivered, within the United States or to, or for the benefit of U.S. persons as defined in Regulation S under Securities Act ("**Regulation S**") or, in the case of Notes in bearer form, as defined in the U.S. External Revenue Code of 1986, as amended, and regulations thereunder. For a description of certain restrictions on offers and sales of Notes and on distribution of this Base Prospectus, see "Subscription and Sale". This Base Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer, the Dealers or the Arranger to subscribe for, or purchase, any Notes.

MIFID II PRODUCT GOVERNANCE / TARGET MARKET – The Final Terms in respect of any Notes will include a legend entitled "MiFID II Product Governance" which will outline the target market assessment in respect of the Notes, taking into account the five categories referred to in item 18 of the Guidelines on MiFID II product governance requirements published by ESMA dated 5 February 2018, and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration such determination; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will have to be made by all relevant Dealers in relation to each issue about whether, for the purpose of product governance rules under EU Delegated Directive 2017/593 (the "**MiFID II Product Governance Rules**"), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MIFID II Product Governance Rules.

PRIIPs / IMPORTANT – EEA AND UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA or the United Kingdom (the "**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive 2016/97/EU of the European Parliament and of the Council on insurance, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014, as amended (the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA or the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or the UK may be unlawful under the PRIIPs Regulation.

The Arranger and the Dealers have not separately verified the information contained in this Base Prospectus. To the fullest extent permitted by law, none of the Dealers or the Arranger accept any responsibility for the contents of this Base Prospectus or for any other statement, made or purported to be made by the Arranger or a

Dealer or on its behalf in connection with the Issuer or the issue and offering of any Notes. The Arranger and each Dealer accordingly disclaims all and any liability (save as referred to above) which it might otherwise have in respect of this Base Prospectus or any such statement. Neither this Base Prospectus nor any other financial statements or information supplied in connection with the Programme (including any information incorporated by reference) are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Base Prospectus or any other financial statements should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Base Prospectus and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuer or the Group during the life of the arrangements contemplated by this Base Prospectus or to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur.

In accordance with the provisions of Article 16 of the Prospectus Regulation, the risk factors set out below are limited to those that are specific to the Issuer and the Notes and material to an informed investor's decision to invest in the Notes. These risks are ranked and presented in decreasing order of importance within each category (and in no particular order of importance between categories).

The Issuer believes that the factors described below and in the documents incorporated by reference represent the principal risks inherent in investing in the Notes issued under the Programme. Prospective investors should read the detailed information set out elsewhere in this Base Prospectus (including any documents deemed to be incorporated by reference herein) and reach their own views prior to making any investment decision.

Terms defined herein shall have the same meaning as in the "Terms and Conditions of the Notes".

Factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme

In accordance with the Prospectus Regulation, in 2019 Carmila updated the Group risk matrix, which incorporates the specific major risks to which it is exposed. Chosen on the basis of so-called gross risk measured by their impact and their probability of occurrence – before taking into account risk management controls and policies – these risks are nevertheless presented in the *Document d'enregistrement universel* in a matrix based on their estimated "net" impact, both in terms of impact and occurrence, after taking into account all the measures taken by the Group to reduce them and the endogenous and exogenous mitigation factors of these risks.

The risks that may affect the Issuer's ability to fulfil its obligations issued under the Programme, are set out in particular on pages 127-138 of the *Document d'enregistrement universel* of the Issuer for the year ended 31 December 2019 incorporated by reference into this Base Prospectus, as set out in the section "Documents Incorporated by Reference" on pages 22-26 of this Base Prospectus, and the categories and headings of each risk factor is set out below.

- Risks related to the Issuer's business sector

- Changes in the commercial real estate market.
- Changes in consumer trends.
- Competitive environment.
- Geographic exposure of the portfolio.
- Changes in the socio-economic environment.

- Risks related to the Issuer's business

- Relationship with and exposure to retail brands.
- Counterparty risk.
- Strategic partnership with the Carrefour group.
- Property and development.
- Health, safety, security including the risk of health crisis (Covid-19 type).
- Information system security.

- Regulatory, legal and tax risks

- Town planning and environmental regulations.
- Regulation applicable to SIICs.
- Regulation on commercial leases.
- Applicable regulations on the security and use of personal data.
- Ethical risks.

- Financial risks

- Access to financing.
- Rise in financing cost.
- Access to equity market.

On 30 July 2020, Carmila published its 2020 Half Year Financial Report (as defined in the "*Documents Incorporated by Reference*" section). The following paragraphs on page 45 of the 2020 Half Year Financial Report, which relate to the abovementioned risk factors of Carmila, are incorporated by reference in this Base Prospectus:

"The risk factors in the Universal Registration Document filed on 24/04/2020 are up to date as of 30/06/2020.

The half-yearly results set out the various impacts of the health crisis in qualitative and quantitative terms and do not include changes to these risk factors."

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

In assessing the materiality of each risk below, the Issuer has considered the probability of its occurrence and the magnitude of its impact. The risk factors have been presented in a limited number of categories depending on their nature. The risks which the Issuer considers to be the most material are set out first in each category, with the remaining risk factors in each category set out in descending order of materiality.

1 Risks relating to all Series of Notes

1.1 Economic and financial Risks

1.1.1 Credit Risk

An investment in the Notes involves taking credit risk on the Issuer. Since the Notes are unsecured obligations of the Issuer, benefitting from no direct recourse to any assets or guarantees, the Noteholders can only rely on the ability of the Issuer to pay any amount due under the Notes. The Issuer has been assigned a long-term credit rating of "BBB (negative outlook)" by S&P Global Ratings Europe Limited, and the value of the Notes will depend on the creditworthiness of the Issuer and the level of such credit rating (as may be impacted by the risks relating to the Issuer described above). If the financial situation of the Issuer deteriorates, the potential adverse impact on the Noteholders could be very significant because (i) the Issuer may not be able to fulfil all or part of its payment obligations under the Notes, (ii) the market value of the Notes may decrease, in particular if the credit rating deteriorates, and (iii) investors may lose all or part of their investment.

1.1.2 The trading market for debt securities may be volatile and may be adversely impacted by many events which may affect their market value

The Programme allows for the Notes to be admitted to trading on Euronext Paris or on any other Regulated Market as may be agreed with the Issuer, provided that a passporting application may be made for a period of twelve (12) months from the date of approval of this Base Prospectus by the AMF, for the Notes to be admitted to trading on a Regulated Market other than Euronext Paris. Nevertheless, the market value of the Notes will be affected by a number of factors, including the value of the reference rates, yields, the time remaining to the maturity date and the creditworthiness of the Issuer. The value of the Notes or the reference rates depends on a number of interrelated factors, including economic, financial and political events and factors affecting capital markets generally and Euronext Paris and/or any other Regulated Market or the stock exchanges on which the Notes or the reference rates are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such Noteholder. Accordingly, the adverse impact of this risk on the Noteholder would be very significant as a substantial part of the capital invested by the Noteholder may be lost upon any transfer of the Notes.

1.1.3 An active trading market for the Notes may not develop

The Programme allows for the Notes to be admitted to trading on Euronext Paris or on any other Regulated Market as may be agreed with the Issuer, provided that a passporting application may be made for a period of twelve (12) months from the date of approval of this Base Prospectus by the AMF, for the Notes to be admitted to trading on a Regulated Market other than Euronext Paris. However, Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer.

In relation to Notes to be listed and admitted to trading on Euronext Paris and/or any other Regulated Market, the Notes may have no established trading market when issued, and one may never develop. If an active trading market

for the Notes does not develop or is not maintained, the market or trading price and liquidity of the Notes may be adversely affected as Noteholders may not be able to sell their Notes easily or at prices that would provide them with a yield comparable to similar investments that have a developed secondary market.

This may have a negative impact on the liquidity of the Notes and result in low trading volumes. The degree of liquidity of the Notes may negatively impact the price at which an investor can dispose of the Notes where the investor is seeking to achieve a sale within a short timeframe. In such circumstances, the impact of this risk on the Noteholder would be high because Notes would likely have to be resold at a discount to the nominal value of the Notes. Furthermore, if additional and competing products are introduced in the markets in such circumstances where there is no trading market for the Notes, this may have a significant adverse effect on the market value of the Notes.

1.1.4 Exchange rate risks and exchange controls

The Programme allows for Notes to be issued in a range of currencies (each, a "**Specified Currency**"). The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. Such risks generally depend on a number of factors, including financial, economic and political events over which the Issuer has no control. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary or financial authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate, as well as the availability of the Specified Currency in which a Note is payable at the time of payment of interest and/or principal in respect of such Note. If this risk were to materialise, the Noteholders whose financial activities are carried out or dependent principally in a currency or currency unit other than the relevant Specified Currency could be negatively impacted. As a result, investors might receive less interest or principal than expected, or, at worst, no interest or principal.

1.2 Legal Risks

1.2.1 French insolvency law

As a *société anonyme* incorporated in France, French insolvency law applies to the Issuer. Subject to the provisions of the relevant Final Terms, the Noteholders, in respect of all Tranches in any Series, will be grouped automatically for the defence of their common interests in a *Masse*, as defined in Condition 11 (*Representation of Noteholders*). However, under French insolvency law, notwithstanding any clause to the contrary, holders of debt securities (*obligations*) are automatically grouped into a single assembly of holders (the "**Assembly**") in order to defend their common interests if a preservation procedure (*procédure de sauvegarde*), an accelerated preservation procedure (*procédure de sauvegarde accélérée*), an accelerated financial preservation procedure (*procédure de sauvegarde financière accélérée*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer. The Assembly will comprise all holders of debt securities (*obligations*) issued by the Issuer (including the Notes), whether or not under the Programme and regardless of their governing law. The Assembly will deliberate on the draft preservation plan (*projet de plan de sauvegarde*), draft accelerated preservation plan (*projet de plan de sauvegarde accélérée*), draft accelerated financial preservation plan (*projet de plan de sauvegarde financière accélérée*) or draft judicial reorganisation plan (*projet de plan de redressement*) prepared in relation to the Issuer and may further agree to:

- increase the liabilities (*charges*) of such holders of debt securities (including the Noteholders) by rescheduling and/or writing-off debts;
- decide to convert such debt securities (including the Notes) into shares or securities that give or may give rights to share capital; and/or
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the amount of debt securities held by the holders expressing a vote). No quorum is required to hold the Assembly. Holders whose rights are not modified by the proposed plan do not participate in the vote. For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in the Terms and Conditions of the Notes set out in this Base Prospectus will not be applicable with respect to the Assembly to the extent they conflict with compulsory insolvency law provisions that apply in these circumstances.

It should be noted that Directive (EU) 2019/1023 on preventive restructuring frameworks, on discharge of debt and disqualifications, and on measures to increase the efficiency of procedures concerning restructuring, insolvency and discharge of debt and amending Directive (EU) 2017/1132 dated 20 June 2019 (the "**Restructuring Directive**") shall be transposed by the Member States before 17 July 2021.

More specifically, the Restructuring Directive is expected to impact the process of adoption of restructuring plans under insolvency proceedings. Creditors (including the Noteholders) shall be treated in separate classes which reflect certain class formation criteria for the purpose of adopting a restructuring plan. Classes shall be formed in such a way that each class comprises claims or interests with rights that are sufficiently similar to justify considering the members of the class a homogenous group with commonality of interest. A restructuring plan shall be deemed to be adopted by affected parties, provided that a majority in the amount of their claims or interests is obtained in each and every class (the required majorities shall be laid down by Member States at not higher than 75% in the amount of claims or interests in each class). If the restructuring plan is not approved by each and every class of affected parties, the plan may however be confirmed by a judicial or administrative authority by applying a cross-class cram-down and consequently, becoming binding upon dissenting voting classes.

Therefore, when the Restructuring Directive is transposed into French law, it is expected that the holders of notes (including the Noteholders) will no longer deliberate on the proposed restructuring plan in a separate assembly, and accordingly they will no longer benefit from a specific veto power on this plan. Instead, as any other affected parties, holders of notes (including the Noteholders) will be grouped into one or several classes (with potentially other types of creditors) and their dissenting vote may possibly be overridden by a cross-class cram down.

The commencement of insolvency proceedings against the Issuer could have a very significant adverse effect on the market value of Notes issued by the Issuer. Any decisions taken by the Assembly or a class of affected parties, as the case may be, could negatively and significantly impact the Noteholders and cause them to lose all or a part of their investment, should they not be able to recover all or part of the amounts due to them from the Issuer.

1.2.2 Modification of the Terms and Conditions of the Notes

Subject to the provisions of the Final Terms, the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *Masse*, as defined in Condition 11 (*Representation of Noteholders*). The Terms and Conditions of the Notes contain provisions for Noteholders to consider matters affecting their interest generally to be adopted either through a general meeting (the "**General Meetings**") or by consent following a written consultation (the "**Written Decisions**"). The Terms and Conditions permit in certain cases defined majorities to bind all Noteholders including Noteholders who did not attend and vote (or were not represented) at the relevant General Meeting, Noteholders who voted in a manner contrary to the majority or Noteholders who did not consent to a Written Decision. Noteholders may be asked to decide on any proposal relating to the modification of the Terms and Conditions by way of Collective Decisions, as more fully described in Condition 11 (*Representation of Noteholders*).

While it is not possible to assess the likelihood that the Terms and Conditions will need to be amended by way of a Collective Decision during the life of the Notes, if it were necessary it is possible that a majority of Noteholders could adopt a Collective Decision that would modify the Terms and Conditions in a way that could impair or limit the rights of the Noteholders, for example by waiving certain rights temporarily or permanently or by amending the financial conditions of the Notes and reducing their yield for Noteholders. These amendments could in turn have the effect of reducing the market value of the Notes.

1.2.3 Change of law

The conditions of the Notes are based on and governed by French law and EU rules in effect as at the date of this Base Prospectus. Judicial decisions or changes to French law, EU rules or their administrative practice, official application or interpretation may take place after the date of this Base Prospectus. Whilst it is difficult to assess the likelihood of any such judicial decisions or changes, if any change in law was unfavourable to the Issuer or the Noteholders, it could have an adverse effect on the market value of the Notes and could have negative repercussions on the Noteholders' investment in the Notes.

2 Risks relating to the structure and characteristics of a particular issue of Notes

2.1 Interest Rate Risks

2.1.1 Interest Rate Risk on Fixed Rate Notes

Investment in Notes that pay a fixed rate of interest ("**Fixed Rate Notes**") involves the risk that if market interest rates subsequently increase above the rate paid in the Fixed Rate Notes, this may adversely affect the value of the

Fixed Rate Notes. The Terms and Conditions of the Notes allow the Issuer to issue Fixed Rate Notes to Noteholders (see Condition 5(a) (*Interest on Fixed Rate Notes*)). While the nominal interest rate of a Fixed Rate Note is specified in the relevant Final Terms and is determined for the term of such Note or a given period of time, the market interest rate (the "**Market Interest Rate**") typically varies on a daily basis. As the Market Interest Rate changes, the price of the Fixed Rate Note on the secondary market varies in the opposite direction. If the Market Interest Rate increases, the price of the Fixed Rate Note typically decreases, until the yield of such Fixed Rate Note equals approximately the Market Interest Rate. If the Market Interest Rate decreases, the price of a Fixed Rate Note typically increases, until the yield of such Fixed Rate Note equals approximately the Market Interest Rate. Movements of the Market Interest Rate are hard to anticipate and can adversely affect the price of the Notes in the secondary market. Movements in the Market Interest Rate could have a very significant impact on the Noteholders as selling the Notes during a period in which the Market Interest Rate exceeds the fixed rate of the Notes could cause the Noteholders to lose part of the capital they had invested. This risk is exacerbated by the fact that the Market Interest Rate typically varies on a daily basis, as mentioned above.

2.1.2 Investors will not be able to calculate in advance the rate of return on Floating Rate Notes.

A key difference between Notes that bear interest at a floating rate of interest ("**Floating Rate Notes**") and Fixed Rate Notes is that interest income on Floating Rate Notes cannot be anticipated. The Terms and Conditions of the Notes allow the Issuer to issue Floating Rate Notes to Noteholders (see Condition 5(b) (*Interest on Floating Rate Notes*)). The floating rate of interest is comprised of a reference rate and a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three (3) months or six (6) months) which itself will change in accordance with general market conditions. Accordingly, the market value of Floating Rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate. This stated volatility may have a significant adverse effect on the market value of the Notes.

If the relevant Final Terms provide for frequent interest payment dates, investors are exposed to the reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing.

2.1.3 Fixed/Floating Rate Notes

The Terms and Conditions allow the Issuer to issue Notes ("**Fixed/Floating Rate Notes**") with a fixed rate of interest that is later converted to a floating rate of interest and vice versa (see Condition 5(c) (*Fixed/Floating Rate Notes*)). The Fixed/Floating Rate Notes bear interest at a rate that, automatically or upon decision of the Issuer at a date (the "**Conversion Date**") specified in the Final Terms, can be converted from a fixed rate to a floating rate or from a floating rate to a fixed rate. The (automatic or optional) conversion may affect the secondary market and the market value of the Notes as it can lead to a reduction of the total borrowing costs. If a fixed rate is converted into a floating rate, the rate spread between the fixed rate and the floating rate may be less in favour than the rate spreads on comparable Floating Rate Notes that have the same reference rate. In addition, the new floating rate may be, at any time, lower than the interest rates of other Notes. If a floating rate is converted into a fixed rate, the fixed rate may be lower than the rate(s) applicable to such Notes previously. It is difficult to anticipate future market volatility in interest rates, but any such volatility may have a significant adverse effect on the market value of the Notes.

2.1.4 Zero Coupon Notes are subject to higher price fluctuations than non-discounted bonds

The Terms and Conditions allow the Issuer to issue zero coupon Notes ("**Zero Coupon Notes**") pursuant to Condition 5(d) (*Zero Coupon Notes*). Changes in market interest rates have a substantially stronger impact on the prices of Zero Coupon Notes than on the prices of ordinary Notes because the discounted issue prices are substantially below par. If market interest rates increase, Zero Coupon Notes can suffer higher price losses than other Notes having the same maturity. Due to their leverage effect, Zero Coupon Notes are a type of investment associated with a particularly high price risk. It is difficult to anticipate future market volatility in interest rates, but any such volatility may have a significant adverse effect on the value of the Notes.

2.1.5 The regulation and reform of "benchmarks" may adversely affect the value of Notes linked to or referencing such "benchmarks"

Pursuant to Condition 5(b)(iii)(C) (*Screen Rate Determination for Floating Rate Notes*), the applicable Final Terms for a Series of Floating Rate Notes specify that the Rate of Interest for such Notes will be determined by reference to the London Interbank Offered Rate ("**LIBOR**"), the Euro Interbank Offered Rate ("**EURIBOR**") and other indices which are deemed to be "benchmarks. "Benchmarks" are the subject of recent national, international and other

regulatory guidance and proposals for reform. Some of these reforms are already effective while others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, to disappear entirely, to be subject to revised calculation methods, or have other consequences which cannot be predicted. Any such consequence could have an adverse effect on any Notes linked to or referencing such a "benchmark".

Regulation (EU) 2016/1011 (the "**Benchmark Regulation**") was published in the Official Journal of the EU on 29 June 2016 and has been in force since 1 January 2018. The Benchmark Regulation, among other things, (i) requires benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and (ii) prevents certain uses by EU supervised entities of benchmarks of administrators that are not authorised or registered (or, if non-EU based, not deemed equivalent or recognised or endorsed).

Notwithstanding the provisions of Condition 5(b)(iii)(C)(5) (*Benchmark discontinuation*) which seek to offset any adverse effects for the Noteholders, the Benchmark Regulation could have a material impact on the market value and return of any Notes linked to a rate or index deemed to be a "benchmark", including in any of the following circumstances:

- (i) an index which is a "benchmark" could not be used by a supervised entity in certain ways if its administrator does not obtain authorisation or registration or, if based in a non-EU jurisdiction, the administrator is not recognised as equivalent or recognised or endorsed and the transitional provisions do not apply; and
- (ii) the methodology or other terms of the "benchmark" could be changed in order to comply with the requirements of the Benchmark Regulation, and such changes could, among other things, have the effect of reducing or increasing the rate or level or otherwise affecting the volatility of the published rate or level of the "benchmark".

More broadly, any of the international, national or other proposals for reform, or the general increased regulatory scrutiny of "benchmarks", could increase the costs and risks of administering or otherwise participating in the setting of a "benchmark" and complying with any such regulations or requirements.

Such factors may have the following effects on certain "benchmarks" (including LIBOR and EURIBOR): (i) discourage market participants from continuing to administer or contribute to such "benchmark"; (ii) trigger changes in the rules or methodologies used in the "benchmarks" or (iii) lead to the disappearance of the "benchmark". Any of the above changes or any other consequential changes as a result of international, national or other proposals for reform or other initiatives or investigations, could have an adverse effect on the value of and return on any Notes linked to a "benchmark".

If a benchmark were discontinued or otherwise unavailable, the rate of interest on Notes which are linked to such benchmark will be determined for the relevant period by the fall-back provisions applicable to such Notes. Depending on the manner in which a benchmark is to be determined under the Terms and Conditions, this may (i) if ISDA Determination or FBF Determination applies pursuant to Condition 5(b)(iii)(A) (*ISDA Determination for Floating Rate Notes*) or Condition 5(b)(iii)(B) (*FBF Determination for Floating Rate Notes*) respectively, be relying upon the provision by reference banks of offered quotations for the relevant benchmark which, depending on market circumstances, may not be available at the relevant time or (ii) if Screen Rate Determination applies pursuant to Condition 5(b)(iii)(C) (*Screen Rate Determination for Floating Rate Notes*), result in the effective application of a fixed rate based on the rate which applied for the immediately preceding Interest Period for which the benchmark was available. Any of the foregoing could have a material adverse effect on the market value or liquidity of, and return on, any Notes linked to a "benchmark".

On 27 July 2017, the Chief Executive of the UK Financial Conduct Authority, which regulates LIBOR, announced that it intends to stop persuading or compelling banks to submit rates for the calculation of LIBOR after 2021 (the "**FCA Announcement**"). The FCA Announcement indicates that the continuation of LIBOR on the current basis cannot and will not be guaranteed after 2021. The potential elimination of the LIBOR benchmark or any other benchmark, or changes in the manner of administration of any benchmark, may adversely affect Notes which reference said benchmark in, at least, two ways:

- (i) the rate of interest on Notes which are linked to such benchmark will be determined for the relevant period by the fall-back provisions applicable to such Notes (it being specified that if a Benchmark Event (as defined in Condition 5(b)(iii)(C) (*Screen Rate Determination for Floating Rate Notes*)) occurs, a specific fall-back shall apply - please refer to the risk factor entitled "*Occurrence of a Benchmark Event*" below); and

(ii) the terms and conditions of outstanding Notes of any Series may need adjusting, which may require a General Meeting of the Noteholders of such Series, or another form of Collective Decision (as detailed in Condition 11(d) (*Collective Decisions*)),

any of the foregoing could have an adverse effect on the market value or liquidity of, and return on, any Notes linked to a "benchmark".

Whilst alternatives to certain IBORs for use in the bond market (including SONIA (for Sterling LIBOR) and rates that may be derived from SONIA) are being developed, in the absence of any legislative measures, outstanding notes linked to or referencing an IBOR will only transition away from such IBOR in accordance with their particular terms and conditions.

2.1.6 The occurrence of a Benchmark Event could have an adverse effect on the value of and return on any Notes linked to or referencing such "benchmarks"

Condition 5(b)(iii)(C)(5) (*Screen Rate Determination for Floating Rate Notes*) provides for certain fallback arrangements in the event that a Benchmark Event occurs, including if an inter-bank offered rate (such as LIBOR or EURIBOR) or other relevant reference rate, and/or any page on which such benchmark may be published, becomes unavailable, or if the Issuer, the Calculation Agent, any Paying Agent or any other party responsible for the calculation of the Rate of Interest (as specified in the applicable Final Terms) are no longer permitted lawfully to calculate interest on any Notes by reference to such benchmark under the Benchmark Regulation or otherwise. Such fallback arrangements include the possibility that the rate of interest could be set by reference to a Successor Rate or an Alternative Rate (both as defined in Condition 5(b)(iii)(C)(5)) (*Screen Rate Determination for Floating Rate Notes*), and may include amendments to the Terms and Conditions of the Notes to ensure the proper operation of the Successor Rate or Alternative Rate, all as determined by the Independent Adviser and without the consent of the Noteholders.

In certain circumstances, and as specified in Condition 5(b)(iii)(C)(3) (*Screen Rate Determination for Floating Rate Notes*), including (i) where no Successor Rate or Alternative Rate (as applicable) is determined, (ii) due to uncertainty relating to the availability of a Successor Rate or Alternative Rate (as the case may be), or (iii) if the Issuer is unable to appoint an Independent Adviser or, if an Independent Adviser is appointed, such Independent Adviser is unable to act, the fallback rules may not apply as expected at the relevant time. In such a scenario, alternative fallback rules may be applied, resulting in the rate of interest for such Interest Period being based on the rate which applied for the immediately preceding Interest Period (as indicated in the relevant Final Terms), as set out in the risk factor entitled "*The regulation and reform of "benchmarks" may adversely affect the value of Notes linked to or referencing such "benchmarks"*" above).

It is possible that, in the event that a Benchmark Event occurs, it will take some time before a clear successor rate or alternative rate is established in the market. Accordingly, Condition 5(b)(iii)(C)(5) provides as a further fallback that, following the designation of a Successor Rate or an Alternative Rate, if the Independent Adviser determines that the Successor Rate or Alternative Rate is no longer substantially comparable to the Original Reference Rate or does not constitute an industry accepted successor rate, the Issuer shall appoint or re-appoint an Independent Adviser for the purpose of confirming the Successor Rate or Alternative Rate (as applicable) or determining a replacement Successor Rate or Alternative Rate in accordance with Condition 5(b)(iii)(C)(5). If the Independent Adviser is unable to or otherwise does not determine a replacement Successor Rate or Alternative Rate (as applicable), then the previously-designated Successor Rate or Alternative Rate will remain unchanged despite the fact that it may no longer be substantially comparable to the Original Reference Rate or that it may no longer constitute an industry accepted rate, which may have an adverse effect on the market value and yield of the Notes.

The Successor Rate or Alternative Rate may have no or a very limited trading history and accordingly its general evolution and/or interaction with other relevant market forces or elements may be difficult to determine or measure. In addition, given the uncertainty concerning the availability of successor or alternative rates and the involvement of an Independent Adviser, the relevant fallback provisions may not operate as intended at the relevant time and the Successor Rate or Alternative Rate may perform differently from the discontinued Original Reference Rate.

Any Adjustment Spread applied to any Series of Floating Rate Notes may not adequately compensate for this impact. Any such adjustment could have unexpected consequences, due to the particular circumstances of each Noteholder and any such adjustment may not be favourable to each Noteholder. This could have quite an adverse impact on the rate of interest on, and trading value of, the affected Floating Rate Notes. Moreover, any holders of such Floating Rate Notes that enter into hedging instruments based on the Original Reference Rate may find their hedges to be

ineffective, and they may incur costs in unwinding such hedges and replacing them with instruments tied to the successor or alternative rate.

Any such consequences could have an adverse effect on the liquidity and value of, and return on, any such Floating Rate Notes linked to or referencing such "benchmarks" because the occurrence of a Benchmark Event could result in a loss of a portion of the principal amount invested in the relevant Floating Rate Notes.

2.2 *Early Redemption Risks*

2.2.1 *The Notes may be redeemed prior to maturity for taxation reasons*

In the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes or Coupons pursuant to Condition 8(b) (*Additional Amounts*), due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of France or a political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with Condition 6(c) (*Redemption for Taxation Reasons*). Such early redemption would be at the Early Redemption Amount of such Notes, which in almost all cases would be their principal amount. Whilst it is not possible to anticipate the likelihood of any change requiring the Issuer to be obliged to increase the amounts payable pursuant to Condition 8(b) (*Additional Amounts*), nor whether the Issuer would exercise its early redemption option as a result, any such exercise may have a very significant impact on the Noteholders. As a result of such early redemption the yields received upon redemption may be lower than expected, and the redemption price of the Notes may be lower than the purchase price for the Notes paid by the Noteholder. As a result, part of the capital invested by the Noteholder may be lost, so that the Noteholder in such circumstances would not receive the total amount of the capital invested.

2.2.2 *Any early redemption at the option of the Issuer, if provided for in any Final Terms for a particular issue of Notes, could cause the yield received by Noteholders to be considerably less than anticipated.*

The Final Terms for a particular issue of Notes may provide for early redemption at the option of the Issuer including a Redemption at the Option of the Issuer as described in Condition 6(d) (*Redemption at the Option of the Issuer*), a Residual Maturity Call Option by the Issuer as described in Condition 6(e) (*Residual Maturity Call Option by the Issuer*), a Squeeze-out Call Option as described in Condition 6(f) (*Squeeze-out Call Option*) or an Optional Make-Whole Redemption by the Issuer as described in Condition 6(g) (*Optional Make-Whole Redemption by the Issuer*). As a result and only in the event that the Issuer decided to exercise any of the above options activated in the relevant Final Terms, the yields received upon redemption may be lower than expected, and the redemption price of the Notes may be lower than the purchase price for the Notes paid by the Noteholder. In such circumstances, part of the capital invested by the Noteholder may be lost, so that the Noteholder would not receive the total amount of the capital invested. Furthermore, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than the redeemed Notes.

The above factors mean that the very existence of these early redemption options in a particular Series of Notes could limit the market value of such Notes.

In addition, if a Residual Maturity Call Option (in accordance with Condition 6(e) (*Residual Maturity Call Option by the Issuer*)), is specified as applicable in the Final Terms, and if the Issuer decides to redeem the Notes pursuant to the Optional Make-whole Redemption (in accordance with Condition 6(g) (*Optional Make-Whole Redemption by the Issuer*)) before the Residual Maturity Exercise Date (as specified in the relevant Final Terms), the calculation of the Optional Make-whole Redemption Amount in respect of the Optional Make-whole Redemption will be calculated by reference to the relevant Residual Maturity Exercise Date rather than the relevant Maturity Date and, for the avoidance of doubt, the last remaining scheduled payment of interest shall be deemed to fall on the Residual Maturity Exercise Date (rather than the relevant Maturity Date) which would result in a reduced rate of return on the Notes than a Noteholder would have otherwise received pursuant to the Optional Make-whole Redemption Amount calculated pursuant to the Terms and Conditions of the Notes for Series of Notes where a Residual Maturity Call Option has not been specified.

In particular, with respect to the Squeeze-out Call Option (Condition 6(f) (*Squeeze-out Call Option*)), there is no obligation on the Issuer to inform investors if and when the Minimum Percentage (as defined in the relevant Final Terms) has been reached or is about to be reached, and the Issuer's right to redeem will exist notwithstanding that immediately prior to the serving of a notice in respect of the exercise of the Squeeze-out Call Option the Notes may have been trading significantly above par, thus potentially resulting in a loss of capital invested or lower than expected returns.

2.2.3 *An early redemption of part of a Series of Notes may affect the liquidity of the Notes of the same Series in respect of which such option is not exercised*

Depending on the number of Notes of the same Series in respect of which a partial redemption is made, either at the option of the Issuer provided in Conditions 6(d) (*Redemption at the Option of the Issuer*) or 6(g) (*Optional Make-Whole Redemption by the Issuer*) or at the option of the Noteholders provided in Conditions 6(h) (*Redemption at the Option of the Noteholders*), Condition 6(i) (*Redemption at the Option of the Noteholders following a Change of Control*) or following an event of default (as provided in Condition 10 (*Events of Default*)), any trading market in respect of those Notes in respect of which such option is not exercised may become illiquid which, depending on the extent of the illiquidity, may have a direct and adverse impact on any remaining Noteholders seeking to dispose of their Notes. In addition, investors may not be able to reinvest the moneys they receive upon such early redemption in securities with the same yield as the redeemed Notes.

IMPORTANT NOTICES

The Notes may not be a suitable investment for all investors

The Notes may not be a suitable investment for all investors. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including where the currency for principal or interest payments is different from the potential investor's currency or where the currency for principal or interest payments is different from the currency in which such potential investor's financial activities are principally denominated;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Credit ratings

One or more independent rating agencies may assign ratings to the Notes and/or the Issuer. The ratings may not reflect the potential risk related to the structure, market, additional factors discussed in this section, and other factors that may affect the value of the Notes or the standing of the Issuer. A credit rating and/or a corporate rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or documentary charges or duties in accordance with the laws and practices of the jurisdiction where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Notes. Potential investors are advised not to rely upon the tax overview contained in this Base Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, disposal and redemption of the Notes. Only these advisers are in a position to duly consider the specific situation of the potential investor.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion in accordance with the provisions of the relevant Final Terms (as defined below), shall be applicable to the Notes.

In the case of Dematerialised Notes, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as completed by the relevant Final Terms. In the case of Materialised Notes, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions as so completed (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on Definitive Materialised Notes. All capitalised terms that are not defined in these Conditions (as defined below) will have the meanings given to them in the relevant Final Terms. References in the Conditions to "Notes" are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are issued by Carmila (the "**Issuer**") in series (each a "**Series**") having one or more issue dates and on terms otherwise identical (or identical other than in respect of the first payment of interest, issue price and nominal amount of the Tranche), the Notes of each Series being intended to be interchangeable with all other Notes of that Series. Each Series may be issued in tranches (each a "**Tranche**") on the same or different issue dates. The specific terms of each Tranche (which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be set out in the Final Terms of such Tranche (the "**Final Terms**").

The Notes are issued with the benefit of an amended and restated agency agreement dated 5 August 2020 between the Issuer and Société Générale Securities Services as fiscal agent and the other agents named in it (the "**Agency Agreement**"). The fiscal agent, the paying agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Fiscal Agent**", the "**Paying Agents**" (which expression shall include the Fiscal Agent) and the "**Calculation Agent(s)**".

For the purpose of these Conditions, "**Regulated Market**" means any regulated market situated in a Member State of the European Economic Area ("**EEA**") as defined in the Directive 2014/65/EU on markets in financial instruments, as amended.

References below to "**Conditions**" are, unless the context requires otherwise, to the numbered paragraphs below.

In these Conditions, unless otherwise specified or the context otherwise requires, references below to "**day**" or "**days**" mean a calendar day.

1. Form, Denomination and Title

- (a) **Form:** Notes may be issued either in dematerialised form ("**Dematerialised Notes**") or in materialised form ("**Materialised Notes**"), as specified in the relevant Final Terms.
 - (i) Title to Dematerialised Notes will be evidenced in accordance with Articles L.211-3 *et seq.* and R.211-1 of the French *Code monétaire et financier* (the "**Code**") by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the Code) will be issued in respect of the Dematerialised Notes.

Dematerialised Notes are issued, at the option of the Issuer, in either bearer dematerialised form (*au porteur*), which will be inscribed in the books of Euroclear France ("Euroclear France", acting as central depository) which shall credit the accounts of Account Holders (as defined below), or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder in either administered registered form (*au nominatif administré*) inscribed in the books of an Account Holder or in fully registered form (*au nominatif pur*) inscribed in an account in the books of Euroclear France maintained by the Issuer or the registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the "**Registration Agent**").

Unless this option is expressly excluded in the relevant Final Terms in accordance with the provisions of Article L.228-2 of the French *Code de commerce*, the Issuer may at any time request from the central depository the following identification information of the holders of Dematerialised Notes in bearer form (*au porteur*): the name or the company name, nationality, date of birth or year of incorporation and mail address or, as the case may be, e-mail address as well as the quantity of Notes held by each of them and any restrictions applicable to the Notes.

For the purpose of these Conditions, "**Account Holder**" means any authorised financial intermediary institution entitled, either directly or indirectly, to hold accounts on behalf of its customers with Euroclear France, and includes Euroclear Bank SA/NV, as operator of the Euroclear System ("**Euroclear**") and the depositary bank for Clearstream Banking, S.A. ("**Clearstream**").

- (ii) Materialised Notes are issued in bearer form only. Materialised Notes are serially numbered and are issued with coupons (the "**Coupons**") (and, where appropriate, a talon (the "**Talon**")) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

In these Conditions, if Talons are specified in the relevant Final Terms as being attached to the Notes at the time of issue, references to Coupons shall be deemed to include references to Talons. If Talons are not specified in the relevant Final Terms as being attached to the Notes at the time of issue, references to Talons are not applicable. For the avoidance of doubt, references to Coupons, Couponholders, Talons and holders of Talons are not applicable to Dematerialised Notes.

In accordance with Articles L.211-3 *et seq.* and R. 211-1 of the Code, securities (such as Notes) which are governed by French law and are in materialised form must be issued outside the French territory.

- (b) **Denomination:** Notes shall be issued in the specified denomination set out in the relevant Final Terms (the "**Specified Denomination**") save that the minimum denomination of each Note admitted to trading on a Regulated Market in circumstances which require the publication of a prospectus under the Prospectus Regulation will be €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such other currency at the issue date or such other higher amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency (as defined below)).

Unless permitted by the then current laws and regulations, Notes (including Notes denominated in Sterling) which have a maturity of less than one (1) year and in respect of which the issue proceeds are to be accepted by the Issuer in the United Kingdom or whose issue otherwise constitutes a contravention of section 19 of the Financial Services and Markets Act 2000 must have a minimum redemption amount of £100,000 (or its equivalent in other currencies).

Dematerialised Notes shall be issued in one Specified Denomination only.

- (c) **Title:**

Title to Dematerialised Notes in fully registered form (*au nominatif pur*) shall pass upon, and transfer of such Notes may only be effected through, registration of the transfer in the accounts of the Issuer or the Registration Agent.
- (ii) Title to Materialised Notes in definitive form having, where appropriate, Coupons and/or a Talon attached thereto on issue ("**Definitive Materialised Notes**"), shall pass by delivery.
- (iii) Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, or an interest in it, any writing on it or its theft or loss and no person shall be liable for so treating the holder.
- (iv) In these Conditions, "**Noteholder**", "**holder of Notes**" or, as the case may be, "**holder of any Note**" means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Account Holder or the Issuer or the Registration Agent (as

the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Note and the Coupons, or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

2. Conversion and Exchanges of Notes

(a) Dematerialised Notes

- (i) Dematerialised Notes issued in bearer dematerialised form (*au porteur*) may not be converted into Dematerialised Notes in registered dematerialised form, whether in fully registered form (*au nominatif pur*) or in administered registered form (*au nominatif administré*).
- (ii) Dematerialised Notes issued in registered dematerialised form (*au nominatif*) may not be converted into Dematerialised Notes in bearer dematerialised form (*au porteur*).
- (iii) Dematerialised Notes issued in fully registered form (*au nominatif pur*) may, at the option of the Noteholder, be converted into Notes in administered registered form (*au nominatif administré*), and *vice versa*. "Secured Debt" means at any time the aggregate amount of the Financial Indebtedness of the Issuer as shown in, or derived from, the latest audited annual or unaudited semi-annual consolidated financial statements of the Issuer, that is secured by or benefits from a Security Interest over any of the Group's Assets;

"Security Interest" means any mortgage, charge, pledge, lien or other form of encumbrance or security interest which would constitute a *sûreté réelle* or any other agreement or arrangement having substantially the same economic effect (including, but not limited to, any retention of title, lease or hire-purchase arrangement); and

"Unsecured Revalued Assets Value" means at any time an amount equal to the Revalued Assets Value less the Secured Debt.

5. Interest and other Calculations

(a) **Interest on Fixed Rate Notes:** Each Fixed Rate Note bears interest on its outstanding nominal amount from and including the Interest Commencement Date at the rate *per annum* (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(g).

(b) **Interest on Floating Rate Notes:**

(i) *Interest Payment Dates:* Each Floating Rate Note bears interest on its outstanding nominal amount from and including the Interest Commencement Date at the rate *per annum* (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition 5(g). Such Interest Payment Date(s) is/are either shown in the relevant Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the relevant Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the relevant Final Terms as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Rate of Interest for Floating Rate Notes:* The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and the provisions below relating to either ISDA Determination,

FBF Determination, Screen Rate Determination or Linear Interpolation shall apply, depending upon which is specified in the relevant Final Terms.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified in the relevant Final Terms;
- (y) the Designated Maturity is a period specified in the relevant Final Terms; and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Designated Maturity**", "**Reset Date**" and "**Swap Transaction**" have the meanings given to those terms in the ISDA Definitions.

(B) FBF Determination for Floating Rate Notes

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (B), "**FBF Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Transaction under the terms of an agreement incorporating the FBF Definitions and under which:

- (1) the Floating Rate is as specified in the relevant Final Terms, and
- (2) the relevant Floating Rate Determination Date (*Date de Détermination du Taux Variable*) is the first calendar day of that Interest Accrual Period unless otherwise specified in the relevant Final terms.

For the purposes of this sub-paragraph (B), "**Floating Rate**" (*Taux Variable*), "**Calculation Agent**" (*Agent*), "**Floating Rate Determination Date**" (*Date de Détermination du Taux Variable*) and "**Transaction**" (*Transaction*) have the meanings given to those terms in the FBF Definitions, provided that Euribor means the rate calculated for deposits in euro which appears on Reuters Page EURIBOR01, as more fully described in the relevant Final Terms. "**FBF Definitions**" means the definitions set out in the 2013 FBF Master Agreement relating to transactions on forward financial instruments a supplemented by the *Fédération Bancaire Française* (together the "**FBF Master Agreement**"), as amended, supplemented and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series. *Investors should consult the Issuer should they require a copy of the FBF Definitions.*

(C) Screen Rate Determination for Floating Rate Notes

(1) Where "Screen Rate Determination-IBOR" is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being EURIBOR or LIBOR (as the case may be), the Rate of Interest for each Interest Accrual Period will, subject as provided below or (if applicable) in Condition 5(b)(iii)(C)(5), be either:

(a) the offered quotation; or

(b) the arithmetic mean of the offered quotations,

(expressed as a percentage rate *per annum*) for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question plus or minus (a indicated in the relevant Final Terms) the Margin (if any) as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

(2) If the Relevant Screen Page is not available or, if sub-paragraph (1)(a) applies and no such offered quotation appears on the Relevant Screen Page, or, if sub-paragraph (1)(b) applies and fewer than three such offered quotations appear on the Relevant Screen Page, in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate *per annum*) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent.

(3) If paragraph (2) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates *per annum* (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered

rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Calculation Agent and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (4) Notwithstanding the Conditions 5(b)(iii)(C)(1) to 5(b)(iii)(C)(3), where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being the EUR CMS, the Rate of Interest for each Interest Accrual Period will, subject as provided below or (if applicable) to Condition 5(b)(iii)(C)(5), be the offered quotation (expressed as a percentage rate per annum) for EUR CMS relating to the relevant maturity (the relevant maturity year mid swap rate in EUR (annual 30/360)), which appears on the Relevant Screen Page, being Reuters Screen page "ICESWAP2" under the heading "EURIBOR Basis", as at 11.00 a.m. Frankfurt time, in the case of the EUR-ISDA-EURIBOR Swap Rate-11:00 on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.

In the event that the Reference Rate does not appear on the Relevant Screen Page, the Calculation Agent shall determine on the relevant Interest Determination Date the applicable rate based on quotations of at least three Reference Banks for EUR CMS relating to the relevant maturity (in each case the relevant mid-market annual swap rate commencing two TARGET 2 Business Days following the relevant Interest Determination Date). The highest and lowest (or, in the event of equality, one of the highest and/or lowest) quotations so determined shall be disregarded by the Calculation Agent for the purpose of determining the Reference Rate which will be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such provided quotations.

If fewer than three quotations are provided to the Calculation Agent in accordance with the above paragraph, the Reference Rate will be determined by the Calculation Agent in its sole discretion, acting in good faith and in a commercial and reasonable manner.

- (5) Benchmark discontinuation

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, if a Benchmark Event occurs, then the provisions of this paragraph (5)

shall apply and prevail over the other fallback provisions specified in Condition 5(b)(iii)(C).

If a Benchmark Event occurs in relation to an Original Reference Rate at any time when the Terms and Conditions of any Notes provide for any rate of interest (or any component part thereof) to be determined by reference to such Original Reference Rate, then the following provisions shall apply and prevail over the other fallbacks specified in Condition 5(b)(iii)(C).

(i) Independent Adviser

The Issuer shall use reasonable endeavours to appoint an Independent Adviser, as soon as reasonably practicable, to determine a Successor Rate, failing which an Alternative Rate (in accordance with Condition 5(b)(iii)(C)(5)(ii)) and, in either case, an Adjustment Spread, if any (in accordance with Condition 5(b)(iii)(C)(5)(iii)) and any Benchmark Amendments (in accordance with Condition 5(b)(iii)(C)(5)(iv)).

An Independent Adviser appointed pursuant to this Condition 5(b)(iii)(C)(5) shall act in good faith as an expert and (in the absence of manifest error or fraud) shall have no liability whatsoever to the Issuer, the Fiscal Agent, the Paying Agents, the Calculation Agent or any other party responsible for determining the Rate of Interest specified in the applicable Final Terms, or the Noteholders for any determination made by it pursuant to this Condition 5(b)(iii)(C)(5).

(ii) Successor Rate or Alternative Rate

If the Independent Adviser determines in good faith that:

- (I) there is a Successor Rate, then such Successor Rate shall (subject to adjustment as provided in Condition 5(b)(iii)(C)(5)(iii)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 5(b)(iii)(C)(5)); or
- (II) there is no Successor Rate but that there is an Alternative Rate, then such Alternative Rate shall (subject to adjustment as provided in Condition 5(b)(iii)(C)(5)(iii)) subsequently be used in place of the Original Reference Rate to determine the relevant Rate(s) of Interest (or the relevant component part(s) thereof) for all relevant future payments of interest on the Notes (subject to the further operation of this Condition 5(b)(iii)(C)(5)).

(iii) Adjustment Spread

If the Independent Adviser determines in good faith (i) that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) and (ii) the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest (or a relevant component part thereof) by reference to such Successor Rate or Alternative Rate (as applicable).

For the avoidance of doubt, the determination of any Adjustment Spread by the Independent Adviser (i) shall not affect the application, with respect to a particular Interest Period, of the Margin specified as applicable to such Interest Period in the Final Terms and (ii) shall only be made, in accordance with customary market usage in the international debt capital markets, to reduce or eliminate, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders.

(iv) Benchmark Amendments

If any Successor Rate, Alternative Rate or Adjustment Spread is determined in accordance with this Condition 5(b)(iii)(C)(5) and the Independent Adviser determines in good faith (A) that amendments to the Terms and Conditions of the Notes (including, without limitation, amendments to the definitions of Day Count Fraction, Business Days or Relevant Screen Page) are strictly necessary to ensure the proper operation of such Successor Rate, Alternative Rate and/or Adjustment Spread (such amendments, the "**Benchmark Amendments**") and (B) the terms of the Benchmark Amendments, then the Issuer shall, subject to giving notice thereof in accordance with Condition 5(b)(iii)(C)(5)(v), without any requirement for the consent or approval of Noteholders, vary the Terms and Conditions of the Notes to give effect to such Benchmark Amendments with effect from the date specified in such notice.

In connection with any such variation in accordance with this Condition 5(b)(iii)(C)(5)(iv), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

(v) Notices, etc.

The Issuer shall, after receiving such information from the Independent Adviser, notify the Fiscal Agent, the Calculation Agent, the Paying Agents, the Representative (if any) and, in accordance with Condition 14, the Noteholders, promptly of any Successor Rate, Alternative Rate, Adjustment Spread and of the specific terms of any Benchmark Amendments, determined under this Condition 5(b)(iii)(C)(5). Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any.

(vi) Fallbacks

If, following the occurrence of a Benchmark Event and in relation to the determination of the Rate of Interest on the immediately following Interest Determination Date, no Independent Adviser has been appointed or no Successor Rate or Alternative Rate (as applicable) is determined pursuant to this provision, the fallback provisions relating to the Original Reference Rate specified in Condition 5(b)(iii)(C) will continue to apply to such determination, provided that such fallbacks may in certain circumstances, lead to apply the Rate of Interest determined as at the last preceding Interest Determination Date.

In such circumstances, the Issuer will be entitled (but not obliged), at any time thereafter, to elect to re-apply the

provisions of this Condition 5(b)(iii)(C)(5), *mutatis mutandis*, on one or more occasions until a Successor Rate or Alternative Rate (and, if applicable, any associated Adjustment Spread and/or Benchmark Amendments) has been determined and notified in accordance with this Condition 5(b)(iii)(C)(5) (and, until such determination and notification (if any), the fallback provisions provided elsewhere in these Terms and Conditions, including, for the avoidance of doubt, the fallbacks specified in Condition 5(b)(iii)(C), will continue to apply).

(vii) Definitions

In this Condition 5(b)(iii)(C)(5):

"Adjustment Spread" means either a spread (which may be positive or negative), or the formula or methodology for calculating a spread, in either case, which the Independent Adviser determines and which is required to be applied to the Successor Rate or the Alternative Rate (as the case may be) to reduce or eliminate, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders as a result of the replacement of the Original Reference Rate with the Successor Rate or the Alternative Rate (as the case may be) and is the spread, formula or methodology which:

- a) in the case of a Successor Rate, is formally recommended, or formally provided as an option for parties to adopt, in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body;
- b) in the case of an Alternative Rate (or in the case of a Successor Rate where (a) above does not apply), is in customary market usage in the international debt capital market for transactions which reference the Original Reference Rate, where such rate has been replaced by the Alternative Rate (or, as the case may be, the Successor Rate); or
- c) if no such recommendation or option has been made (or made available), or the Independent Adviser determines there is no such spread, formula or methodology in customary market usage, the Independent Adviser, acting in good faith, determines to be appropriate.

"Alternative Rate" means, in the absence of Successor Rate, an alternative benchmark or screen rate which the Independent Adviser determines in accordance with this Condition 5(b)(iii)(C)(5) and which is customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for a commensurate interest period (if there is such a customary market usage at such time) and in the same Specified Currency as the Notes.

"Benchmark Event" means, with respect to an Original Reference Rate:

- a) the Original Reference Rate ceasing to exist or be published;

- b) the later of (i) the making of a public statement by the administrator of the Original Reference Rate that it will, on or before a specified date, cease publishing the Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of the Original Reference Rate) and (ii) the date falling six (6) months prior to the date specified in (b)(i);
- c) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued;
- d) the later of (i) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate will, on or before a specified date, be permanently or indefinitely discontinued and (ii) the date falling six (6) months prior to the date specified in (d)(i);
- e) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that means the Original Reference Rate will be prohibited from being used or that its use will be subject to restrictions or adverse consequences, in each case within the following six (6) months;
- f) it has or will prior to the next Interest Determination Date, become unlawful for the Issuer, the party responsible for determining the Rate of Interest (being the Calculation Agent or such other party specified in the applicable Final Terms, as applicable), or any Paying Agent to calculate any payments due to be made to any Noteholder using the Original Reference Rate (including, without limitation, under the Benchmarks Regulation (EU) 2016/1011, if applicable);
- g) that a decision to withdraw the authorisation or registration pursuant to Article 35 of the Benchmarks Regulation (Regulation (EU) 2016/2011) of any benchmark administrator previously authorised to publish such Original Reference Rate has been adopted; or
- h) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that, in the view of such supervisor, such Reference Rate is no longer representative of an underlying market.

"Independent Adviser" means an independent financial institution of international repute or an independent adviser of recognised standing with appropriate expertise, at all times acting in good faith and in a commercially reasonable manner, appointed by the Issuer at its own expense under Condition 5(b)(iii)(C)(5)(i).

"Original Reference Rate" means the benchmark or screen rate (as applicable) originally specified for the purpose of determining the relevant Rate of Interest (or any relevant component part(s) thereof) on the Notes.

"Relevant Nominating Body" means, in respect of a benchmark or screen rate (as applicable):

- a) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, or any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable); or
- b) any working group or committee sponsored by, chaired or co-chaired by or constituted at the request of (i) the central bank for the currency to which the benchmark or screen rate (as applicable) relates, (ii) any central bank or other supervisory authority which is responsible for supervising the administrator of the benchmark or screen rate (as applicable), (iii) a group of the aforementioned central banks or other supervisory authorities or (iv) the Financial Stability Board or any part thereof.

"Successor Rate" means a successor to or replacement of the Original Reference Rate which is formally recommended by any Relevant Nominating Body. If, following a Benchmark Event, more than one successor or replacement rates are recommended by any Relevant Nominating Body, the Independent Adviser will determine, among those successor or replacement rates, the one which is the most appropriate, taking into consideration, without limitation, the particular features of the relevant Notes.

(D) Linear Interpolation

Where Linear Interpolation is specified in the relevant Final Terms as applicable in respect of an Interest Accrual Period, the Rate of Interest for such Interest Accrual Period shall be calculated by the Calculation Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination-IBOR is specified in the relevant Final Terms as applicable; which term shall include, for the purposes of this paragraph, the relevant Alternative Rate or the relevant Successor Rate, to the extent and as applicable), the relevant Floating Rate Option (where ISDA Determination is specified in the relevant Final Terms as applicable), or the relevant Floating Rate (where FBF Determination is specified in the relevant Final Terms as applicable) one of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Accrual Period and the other of which shall be determined as if the Applicable Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Accrual Period, provided, however, that if no rate is available for a period of time immediately inferior or, as the case may be, immediately superior than the length of the relevant Interest Period, then the Calculation Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

"Applicable Maturity" means: (a) in relation to Screen Rate Determination-IBOR, the period of time designated in the Reference Rate, (b) in relation to ISDA Determination, the Designated Maturity and (c) in relation to FBF Determination, the period of time designated in the Floating Rate.

- (c) **Fixed/Floating Rate Notes:** Fixed/Floating Rate Notes may bear interest at a rate (i) that the Issuer may elect to convert on the date set out in the relevant Final Terms from a Fixed Rate to a Floating Rate, or from a Floating Rate to a Fixed Rate or (ii) that will automatically change from a Fixed Rate to a Floating Rate or from a Floating Rate to a Fixed Rate on the date set out in the relevant Final Terms.

- (d) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate *per annum* (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(b)(i)).
- (e) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (both before and after judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).
- (f) **Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, and Rounding:**
- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be. Unless a higher Minimum Rate of Interest is specified in the relevant Final Terms, the Minimum Rate of Interest shall be deemed equal to zero.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country/ies of such currency.
- (g) **Calculations:** The amount of interest payable per Specified Denomination in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Specified Denomination specified in the relevant Final Terms, and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Specified Denomination in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Specified Denomination in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.
- (h) **Determination and Publication of Rates of Interest, Interest Amounts, Early Redemption Amounts, Optional Redemption Amounts, Optional Make-Whole Redemption Amounts and Instalment Amounts:** The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Early Redemption Amount, Optional Redemption Amount, Optional Make-Whole Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Early Redemption Amount, Optional Redemption Amount,

Optional Make-Whole Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules applied to such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the second Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

- (i) **Definitions:** In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

"Business Day" means:

- (i) in the case of a currency other than euro, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for such currency; and/or
- (ii) in the case of euro, a day on which the TARGET System is operating (a **"TARGET Business Day"**); and/or
- (iii) in the case of a currency and/or one or more Business Centres (as specified in the relevant Final Terms), a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in such currency in the Business Centre(s) or, if no currency is indicated, generally in each of the Business Centres;

"Day Count Fraction" means, in respect of the calculation of an amount of interest on any Note for any period of time (from and including the first day of such period to but excluding the last) (whether or not constituting an Interest Period or an Interest Accrual Period, the **"Calculation Period"**):

- (iv) if **"Actual/Actual"**, **"Actual/Actual - ISDA"** or **"Actual-365 (FBF)"** is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by 365 (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by 365);
- (v) if **"Actual/365 (Fixed)"** is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by 365;
- (vi) if **"Actual/Actual (FBF)"** is specified in the relevant Final Terms, the fraction whose numerator is the actual number of calendar days elapsed during the Calculation Period and whose denominator is 365 (or 366 if 29 February falls within the Interest Period). If the Interest Period is of a duration of more than one (1) year, the basis shall be calculated as follows:
 - (A) the number of complete years shall be counted back from the last calendar day of the Interest Period; and
 - (B) this number shall be increased by the fraction for the relevant period calculated as set out in the first paragraph of this definition

- (vii) if "**Actual/360**" is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by 360;
- (viii) if "**Actual/365 (Sterling)**" is specified in the relevant Final Terms, the actual number of days in the Calculation Period is divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;

6. Redemption, Purchase and Options

- (a) **Redemption by Instalments and Final Redemption:**
- (i) Unless previously redeemed, purchased and cancelled as provided in this Condition 6 each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its nominal amount (the **"Final Redemption Amount"**) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount which shall be equal to the nominal value of such Note remaining outstanding at such time.

(b) **Early Redemption:**

(i) *Zero Coupon Notes:*

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, upon redemption of such Note pursuant to Condition 6(c), 6(d), 6(e), 6(f) or 6(h) or 6(i) (all if applicable) or upon it becoming due and payable as provided in Condition 10, shall be the "Amortised Face Amount" (calculated as provided below) of such Note.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate *per annum* (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(c), 6(d), 6(e), 6(f) or 6(h) or 6(i) (all if applicable) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Note becomes due and payable were the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgement) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(c).

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown in the relevant Final Terms.

(ii) *Other Notes:*

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(c), 6(d), 6(e), 6(f) or 6(h) or 6(i) (all if applicable) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount.

(c) **Redemption for Taxation Reasons:**

- (i) If, by reason of a change in French law or regulation, or any change in the official application or interpretation of such law or regulation, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment due in respect of the Notes or Coupons, not be able to make such payment without having to pay additional amounts as specified in Condition 8 below, and provided that such obligation cannot be avoided by the Issuer taking reasonable measures available to it, the Issuer may on any Interest Payment Date (if the Note is a Floating Rate Note) or, at any time, (if the Note is not a Floating Rate Note), subject to having given not more than 60 nor less than 30 days' prior notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 14 redeem all, but not some only, of the outstanding Notes at their Early Redemption Amount (as described in Condition 6(b) above) together with any interest accrued to the date fixed for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable Interest Payment Date on which the Issuer could make payment of principal and interest without withholding or deduction for French taxes.
- (ii) If the Issuer would on the occasion of the next payment in respect of the Notes or Coupons be prevented by French law or regulation from making payment to the Noteholders or

Couponholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8 below, and provided that this cannot be avoided by the Issuer taking reasonable measures available to it, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven days' prior notice to the Noteholders in accordance with Condition 14, redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount together with any interest accrued to the date set for redemption on the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount payable in respect of the Notes or Coupons without withholding or deduction for French taxes, or, if such date is past, as soon as practicable thereafter.

- (d) **Redemption at the Option of the Issuer:** If "Call Option" is specified as being applicable in the relevant Final Terms, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem, all or, if so provided, some, of the outstanding Notes on any Optional Redemption Date specified in the relevant Final Terms. Any such redemption of Notes shall be at the Optional Redemption Amount specified in the relevant Final Terms (which may be the Early Redemption Amount (as described in Condition 6(b) above)) together with interest accrued up to (but excluding) the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount specified in the relevant Final Terms and no greater than the Maximum Redemption Amount specified in the relevant Final Terms.
- (e) **Residual Maturity Call Option by the Issuer:** If "Residual Maturity Call Option" is specified as being applicable in the relevant Final Terms, the Issuer may, at its option, from and including the Residual Maturity Exercise Date (as defined in the relevant Final Terms), which shall be 3 months prior to the Maturity Date specified in the relevant Final Terms, to but excluding the Maturity Date, subject to having given not more than 60 nor less than 30 days prior notice to the Noteholders and the Fiscal Agent in accordance with Condition 14 (which notice shall be irrevocable and shall specify the date fixed for redemption), redeem all, but not some only of the outstanding Notes at par together with interest accrued up to (but excluding) the date fixed for redemption.
- (f) **Squeeze-out Call Option:** If "Squeeze-out Call Option" is specified as being applicable in the relevant Final Terms, the Issuer may, at any time, on giving not less than 30 nor more than 60 days' irrevocable notice to the Noteholders (or such other period as may be specified in the relevant Final Terms), redeem all but not some only of the Notes for the time being outstanding, if, immediately prior to the date that such notice is given, Notes representing an aggregate amount equal to or exceeding the Minimum Percentage (as specified in the relevant Final Terms, being a percentage of the aggregate nominal amount of such Series (including, for the avoidance of doubt any Notes which have been consolidated and form a single Series therewith)) shall have been redeemed or purchased (and subsequently cancelled) by the Issuer other than by way of a redemption at the option of the Issuer in accordance with Condition 6(f). Any such redemption shall be at the Early Redemption Amount together with interest accrued up to (but excluding) the date fixed for redemption. All Notes in respect of which any such notice is given shall be redeemed, on the date specified in such notice in accordance with this Condition.
- (g) **Optional Make-Whole Redemption by the Issuer:** If "Optional Make-Whole Redemption by the Issuer" is specified as being applicable in the relevant Final Terms, the Issuer will, subject to compliance by the Issuer with all relevant laws, regulations and directives and having given not less than 30 nor more than 45 days' irrevocable notice in accordance with Condition 14 to the Noteholders and to the Fiscal Agent (which notice shall be irrevocable and shall specify the date fixed for redemption), have the option to redeem the Notes, in whole or in part, at any time prior to their Maturity Date (the "**Optional Make-Whole Redemption Date**") at the Optional Make-Whole Redemption Amount (as described below) together with any accrued and unpaid interest up to (but excluding) the date fixed for redemption.

The "**Optional Make-Whole Redemption Amount**" will be calculated by the Calculation Agent and will be an amount in the relevant currency rounded to the nearest cent (half a cent being rounded upwards) being the greater of (x) the Final Redemption Amount of the Notes so redeemed and (y) the sum of the then present values on the Optional Make-Whole Redemption Date of (i) the nominal amount of the Notes and (ii) the remaining scheduled payments of principal (if applicable) and interest on such Notes for the remaining term of such Note (determined on the

basis of the interest rate applicable to such Note from the Interest Payment Date immediately preceding the Optional Make-Whole Redemption Date to, but excluding, the Optional Make-Whole Redemption Date), discounted from the Maturity Date to the Optional Make-Whole Redemption Date on an annual basis at the Early Redemption Rate plus an Early Redemption Margin.

If a "Residual Maturity Call Option" is specified as being applicable in the relevant Final Terms and if the Issuer decides to redeem the Notes pursuant to the Optional Make-Whole Redemption by the Issuer before the Residual Maturity Exercise Date specified in the relevant Final Terms, the Optional Make-Whole Redemption Amount will be calculated by substituting the Maturity Date by the Residual Maturity Exercise Date and, for the avoidance of doubt, the last remaining scheduled payment of interest shall be deemed to fall on the Residual Maturity Exercise Date, and the amount of interest to be taken into account shall be the interest that would have accrued on the Notes on, and from, the Interest Payment Date immediately preceding the Residual Maturity Exercise Date, to but excluding the Residual Maturity Exercise Date.

"**Early Redemption Margin**" has the meaning given to it in the relevant Final Terms.

"**Early Redemption Rate**" means the average of the four quotations given by the Reference Dealers of the mid-market annual yield to maturity of the Reference Benchmark Security (as specified in the relevant Final Terms) on the fourth Business Day preceding the Optional Make-Whole Redemption Date at 11.00 a.m. (Central European time (CET)). If the Reference Benchmark Security is no longer outstanding, a Similar Security will be chosen by the Calculation Agent after prior consultation with the Issuer if practicable under the circumstances, at 11.00 a.m. (Central European time (CET)) on the fourth Business Day preceding the Optional Make-Whole Redemption Date, quoted in writing by the Calculation Agent to the Issuer and notified to the Noteholders in accordance with Condition 14.

"**Reference Benchmark Security**" has the meaning given to it in the relevant Final Terms.

"**Reference Dealers**" means each of the four banks (that may include the Dealers) selected by the Calculation Agent which are primary European government security dealers, and their respective successors, or market makers in pricing corporate bond issues or as specified in the relevant Final Terms.

"**Similar Security**" means a reference bond or reference bonds issued by the issuer of the Reference Benchmark Security having an actual or interpolated maturity comparable with the remaining term of the Notes that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

- (h) **Redemption at the Option of Noteholders:** If "Put Option" is specified as being applicable in the relevant Final Terms, the Issuer shall, at the option of any Noteholder, upon such Noteholder giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem the Note(s) of such Noteholder on the Optional Redemption Date (as defined in the relevant Final Terms) selected by such Noteholder in the relevant Exercise Notice (as defined below) at the Optional Redemption Amount specified in the relevant Final Terms (which may be the Early Redemption Amount (as described in Condition 6(b) above)) together with interest accrued to such Optional Redemption Date.

To exercise such option the Noteholder must deposit with any Paying Agent at its specified office during usual business hours a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during usual business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. Such notice shall, in the case of Materialised Notes, have attached to it such Note (together with all unmatured Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the account of the Principal Paying Agent specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

- (i) **Redemption at the Option of the Noteholders following a Change of Control:** If "Change of Control Put Option" is specified as being applicable in the relevant Final Terms, and if any time while any Note remains outstanding (a) a Change of Control occurs and (b) within the Change of Control Period, (i) (if at the time of the Change of Control the Issuer and/or the Notes outstanding have a rating from a Rating Agency) a Rating Downgrade occurs or has occurred as a result of such Change of Control or (ii) (if at the time of the Change of Control the Issuer and/or the Notes outstanding do not have a rating from a Rating Agency) a Negative Rating Event in respect of that Change of Control occurs (such Change of Control and Rating Downgrade or Negative Rating Event, as the case may be, occurring within the Change of Control Period together called a "**Put Event**"), each Noteholder will have the option (the "**Change of Control Put Option**") (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the Notes under Condition 6) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of its Notes, on the Change of Control Redemption Date (as defined below). Each Note shall be redeemed or purchased at the Early Redemption Amount together with (or, where purchased, together with an amount equal to) accrued interest to (but excluding) the Change of Control Redemption Date.

A "**Change of Control**" shall be deemed to have occurred each time that any person or persons acting in concert (within the meaning of Article L.233-10 of the French *Code de commerce*), other than Carrefour, directly or indirectly holds more than 50 per cent. of the shares or voting rights of the Issuer.

"**Carrefour**" means Carrefour SA and its Subsidiaries.

"**Change of Control Period**" means the period commencing on the date that is the earlier of (i) the date of the first public announcement of the occurrence of the relevant Change of Control; and (ii) the date of the earliest Potential Change of Control Announcement (if any) and ending on the date which is 180 days after the date of the first public announcement of the occurrence of the relevant Change of Control (or such longer period for which the Notes are under consideration (such consideration having been announced publicly within the period ending 180 days after the Change of Control) for rating review or, as the case may be, rating by a Rating Agency, such period not to exceed 60 days after the public announcement of such consideration).

"**Negative Rating Event**" shall be deemed to have occurred if (i) the Issuer does not on or before the expiry of 60 days following the Change of Control seek to obtain an investment grade rating (BBB-, or its equivalent for the time being, or better) of the Notes failing which, a corporate rating from a Rating Agency, or (ii) if it does so seek, it has not at the expiry of the Change of Control Period obtained such rating, provided that the Rating Agency (A) announces or publicly confirms or, (B) having been so requested by the Issuer, informs the Issuer or the Fiscal Agent in writing that its declining to assign such rating was the result, in whole or in part, of the applicable Change of Control (whether or not the Change of Control shall have occurred at the time such rating is declined).

"**Potential Change of Control Announcement**" means any public announcement or public statement by the Issuer, any actual or potential bidder or any advisor thereto relating to any potential Change of Control, such announcement or statement occurring no more than 180 days prior to the first public announcement of the occurrence of the relevant Change of Control.

"**Rating Agency**" means any of the following: (a) Standard & Poor's Rating Services, a division of the McGraw-Hill Companies, Inc.; or (b) any other rating agency of equivalent international standing established in the European Union and registered under Regulation (EC) No. 1060/2009 as amended and requested from time to time by the Issuer to grant a rating and, in each case, their respective successors or affiliates.

A "**Rating Downgrade**" shall be deemed to have occurred in respect of a Change of Control if within the Change of Control Period:

- (A) the rating previously assigned to the Notes or to the Issuer by any Rating Agency is (x) withdrawn or (y) changed from an investment grade rating (BBB-, or its equivalent for the time being, or better) to a non-investment grade rating (BB+, or its equivalent for the time being, or worse); and

- (B) such rating is not within the Change of Control Period subsequently upgraded (in the case of a downgrade) or reinstated (in the case of a withdrawal) either to an investment grade credit rating (in the case of (y)) or to its earlier credit rating or better (in the case of (x)) by such Rating Agency;

provided however that a Rating Downgrade otherwise arising by virtue of a particular change in rating shall be deemed to have occurred in respect of a particular Change of Control only if (i) the Rating Agency making the relevant decision referred to above publicly announces or publicly confirms that such decision was the result, in whole or in part, of the Change of Control or (ii) the Rating Agency making the relevant decision referred to above has confirmed in a letter or other form of written communication sent to the Issuer and publicly disclosed that such decision was the result, in whole or in part, of the Change of Control, and provided further that if the Notes are rated by more than one Rating Agency, a Rating Downgrade shall be deemed not to have occurred in respect of a particular Put Event if only one Rating Agency has withdrawn or lowered its rating.

Promptly upon the Issuer becoming aware that a Put Event has occurred, the Issuer shall give notice (a "**Put Event Notice**") to the Fiscal Agent and to the Noteholders in accordance with Condition 10 specifying the nature of the Put Event, the circumstances giving rise to it and the procedure for exercising the Change of Control Put Option contained in this section.

To exercise the Change of Control Put Option to require redemption or, as the case may be, purchase of a Note under this section, a Noteholder must transfer (or cause to be transferred by its Account Holder) its Notes to be so redeemed or purchased to the account of the Fiscal Agent (details of which are specified in the Put Option Notice) for the account of the Issuer within the period of 45 days after the Put Event Notice is given (the "**Put Period**"), together with a duly signed and completed notice of exercise in the form obtainable from the specified office of the Fiscal Agent or the Paying Agent (a "**Put Option Notice**") and in which the Noteholder shall specify a bank account denominated in euro to which payment is to be made under this Condition.

A Put Option Notice once given shall be irrevocable.

The Issuer shall redeem or, at the option of the Issuer, procure the purchase of, the Notes in respect of which the Change of Control Put Option has been validly exercised as provided above, and subject to the transfer of such Notes to the accounts of the Fiscal Agent for the account of the Issuer as described above on the date which is the fifth (5th) Business Day following the end of the Put Period (the "**Change of Control Redemption Date**"). Payment in respect of any Note so transferred will be made via the relevant Account Holders on the Change of Control Redemption Date in Euro to the Euro-denominated bank account specified by the Noteholder in the Put Option Notice.

For the avoidance of doubt, no additional amount shall be payable by the Issuer to a Noteholder as a result of or in connection with such Noteholder's exercise of, or otherwise in connection with the put options in this Condition 6(i) or in Condition 6(h) (whether as a result of any purchase or redemption arising therefrom or otherwise).

- (j) **Provision relating to partial redemption:** If only some of the Notes of a Series are to be redeemed or subject to the exercise of an Issuer's option, on such date (i) in the case of Materialised Notes, the number of Materialised Notes to be redeemed shall be drawn by the Fiscal Agent in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market requirements and, where applicable, the Issuer shall be entitled to send representatives to attend such drawing and (ii) in the case of Dematerialised Notes, such partial redemption shall be made by reducing the aggregate nominal amount of all such Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed.
- (k) **Purchases:** The Issuer and any of its Subsidiaries may at any time purchase Notes (provided that, in the case of Materialised Notes, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price, subject to the applicable laws and/or regulations. All Notes so purchased by the Issuer may be held and resold in accordance with applicable laws and regulations for the purpose of enhancing the liquidity of the Notes.

- (l) **Cancellation:** All Notes purchased by or on behalf of the Issuer may, at its sole option, be held or cancelled in accordance with applicable laws and regulations. Notes will be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Notes, by surrendering the Temporary Global Certificate and the Definitive Materialised Notes in question together with all unmatured Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be re-issued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged. To the extent that the Notes are admitted to trading on Euronext Paris, the Issuer will inform Euronext about such cancellation.

7. Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal and interest in respect of Dematerialised Notes shall, in the case of Dematerialised Notes in bearer dematerialised form or administered registered form, be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the Noteholders and, in the case of Dematerialised Notes in fully registered form, to an account denominated in the relevant currency with a Bank designated by the Noteholders. All payments validly made to such Account Holders will be an effective discharge of the Issuer in respect of such payments.
- (b) **Materialised Notes:** Payments of principal and interest in respect of Materialised Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.
- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.
- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in any jurisdiction (whether by operation of law or agreement of the Issuer or its Agents) and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations, directives or agreements, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed at the end of this Base Prospectus. The Fiscal Agent, the Paying Agents and the Registration Agent act solely as agents of the Issuer and, in each such case, do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent and the Registration Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where

the Conditions so require, (iii) Paying Agents having specified offices in at least two major European cities (including Paris so long as the Notes are admitted to trading on Euronext Paris and in such other city so long as the Notes are admitted to trading on any other Regulated Market), (iv) in the case of Dematerialised Notes in fully registered form, a Registration Agent and (v) such other agents as may be required by any other Stock Exchange on which the Notes may be listed.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 14 below.

(f) Unmatured Coupons and Receipts and unexchanged Talons:

- (i) Unless the relevant Final Terms specify that the Materialised Notes provide that the relevant Coupons are to become void upon the due date for redemption of those Notes, Materialised Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Optional Make-Whole Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) If the relevant Final Terms specify that the Materialised Notes so provide, upon the due date for redemption of any such Materialised Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Materialised Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Materialised Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any Materialised Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Materialised Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Note. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Definitive Materialised Note.
- (vi) The provisions of paragraph (i) of this Condition 7(f) notwithstanding, if any Note should be issued with a maturity date and Interest Rate or Rates such that, on the presentation for payment of any such Notes without all unmaturing Coupons attached thereto or surrendered therewith, the amount required by such paragraph (i) to be deducted in respect of such missing unmaturing Coupons would be greater than the Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Note, such missing unmaturing Coupons shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of such paragraph (i) in respect of such Coupons as have not so become void, the amount required by such paragraph (i) to be deducted would not be greater than the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or the Optional Make-Whole Redemption

Amount, as the case may be, otherwise due for payment (or, in the case of payment not being made in full, that proportion of the amount of such missing unmatured Coupons that the sum of principal so paid bears to the total principal due). Where the application of the foregoing sentence requires some but not all of such missing unmatured Coupons relating to a Note to become void, the relevant Paying Agent shall determine which missing unmatured Coupons (or proportion thereof) are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).
- (h) **Non-Business Days:** If any date for payment in respect of any Note or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**business day**" means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) on which banks and foreign exchange markets are open for business in such jurisdictions as shall be specified as "**Financial Centres**" in the relevant Final Terms and (C) (i) (in the case of a payment in a currency other than Euro), where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) (in the case of a payment in Euro), which is a TARGET Business Day.

8. Taxation

- (a) **Withholding Tax:** All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes and Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of any jurisdiction or any political subdivision or any authority thereof having power to tax, unless such withholding or deduction is required by law.
- (b) **Additional Amounts:** If pursuant to French laws or regulations, payments of principal, interest or other revenues in respect of any Note or Coupon become subject to deduction or withholding in respect of any present or future taxes, duties, assessments or governmental charges of whatever nature, the Issuer shall, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the holder of each Note or Coupon, after such deduction or withholding, will receive the full amount then due and payable thereon in the absence of such deduction or withholding; provided, however, that the Issuer shall not be liable to pay any such additional amounts in respect of any Note or Coupon:
 - (i) **Other Connection:** to, or to a third party on behalf of, a Noteholder who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with the Republic of France other than the mere holding of such Note or Coupon; or
 - (ii) **Presentation more than 30 days after the Relevant Date:** in the case of Materialised Notes presented for payment more than 30 days after the Relevant Date, except to the extent that the Noteholder or the Couponholder, as the case may be, would have been entitled to such additional amounts on presenting it for payment on or before such thirtieth (30th) calendar day of such time period.

As used in these Conditions, "**Relevant Date**" in respect of any Note or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or in the case of Materialised Notes (if earlier) the date seven days after that on which notice

is duly given to the Noteholders that, upon further presentation of the Note or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation

References in these Conditions to (i) "**principal**" shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Optional Make-Whole Redemption Amount, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) "**interest**" and/or "**other revenues**" shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) "**principal**" and/or "**interest**" and/or "**other revenues**" shall be deemed to include any additional amounts that may be payable under this Condition.

FATCA Withholding: The Issuer shall be permitted to withhold or deduct any amounts required by the rules of U.S. Internal Revenue Code Sections 1471 through 1474 (or any amended or successor provisions), pursuant to any inter-governmental agreement, or implementing legislation adopted by another jurisdiction in connection with those provisions, or pursuant to any agreement with the U.S. Internal Revenue Service ("**FATCA withholding**") as a result of the Noteholder, beneficial owner or an intermediary (that is not an agent of the Issuer) not being entitled to receive payments free of FATCA withholding. The Issuer shall not be liable for, or otherwise obliged to pay, any FATCA withholding deducted or withheld by the Issuer, any paying agent or any other party.

9. Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or 5 years (in the case of interest) from the appropriate Relevant Date in respect of them.

10. Events of Default

Any Noteholder may, upon written notice to the Issuer, with a copy to the Fiscal Agent, cause all the Notes (but not some only) held by such Noteholder to become immediately due and payable at their principal amount, together with interest accrued since the last Interest Payment Date (or, if applicable, since the Issue Date) preceding the early redemption date and until the date of effective redemption, if any of the following events occurs (an "**Event of Default**"):

- (a) if any amount of principal or interest on any Note shall not be paid by the Issuer on the due date thereof and such default shall not be remedied by the Issuer within a period of 15 days from such due date; or
- (b) if the Issuer defaults in the due performance of any obligation in respect of the Notes (other than as referred in (a) above) and such default continues for a period of 30 days (unless such default is not curable in which case such period shall not apply) following receipt by the Issuer of a written notice of such default; or
- (c) if (i) any present or future Financial Indebtedness (as defined in Condition 3) of the Issuer or any of its Material Subsidiaries (as defined in Condition 2) shall become due and payable and shall not be paid when due or, as the case may be, after the expiration of any originally applicable grace period or (ii) any guarantee or indemnity given by the Issuer or any of its Material Subsidiaries for Financial Indebtedness of others shall not be honoured when due or called upon or, as the case may be, after the expiration of any originally applicable grace period, provided that the amounts due in respect of (i) and (ii) are, individually or in the aggregate, equal to or in excess of €50,000,000 (or its equivalent in any other currency), and unless in any such event (x) the Issuer or such Material Subsidiary, as the case may be, is disputing in good faith that such Financial Indebtedness is due and payable or that such guarantee or indemnity is due and callable, in which case such event shall not constitute an Event of Default hereunder so long as the dispute shall not have been irrevocably adjudicated or (y) the amount due is not paid due to circumstances affecting the making or clearing of the payment which are outside the control of the Issuer or such Material Subsidiary, as the case

may be, in which case such event shall not constitute an Event of Default so long as such circumstances continue in existence; or

- (d) if the Issuer is wound up or dissolved or ceases to carry on all or substantially all of its business except (i) in connection with a merger or spin-off (including *fusion-scission*), consolidation, amalgamation or other form of reorganisation (including a management buy-out or leveraged buy-out) pursuant to which the surviving entity shall be the transferee of or successor to all or substantially all of the business of the Issuer and assumes all of the obligations of the Issuer with respect to the Notes or (ii) on such other terms approved by the Noteholders by a Collective Decision; or
- (e) if (i) any judgment is issued for the judicial liquidation (*liquidation judiciaire*) of the Issuer or any of its Material Subsidiaries or the transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or any of its Material Subsidiaries in the context of a procedure of judicial liquidation (*liquidation judiciaire*) or of a judicial rehabilitation (*redressement judiciaire*) or (ii) the Issuer or any of its Material Subsidiaries is subject to any similar proceedings whatsoever.

11. Representation of Noteholders

The Noteholders will, in respect of all Tranches of the relevant Series, be grouped automatically for the defence of their common interests in a masse (the "**Masse**") which will be governed by the provisions of articles L.228-46 *et seq.* of the French *Code de commerce* as amended by this Condition 11.

The Masse alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which may accrue with respect to the Notes, without prejudice to the rights that Noteholders may exercise individually in accordance with, and subject to, the provisions of the terms and conditions of the Notes.

(a) Legal Personality of the Masse

The Masse will be a separate legal entity and will act in part through a representative (the "**Representative**") and in part through collective decisions of the Noteholders (the "**Collective Decisions**").

(b) Representative

The names and addresses of the Representative and its alternate (if any), will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all subsequent Tranches in such Series.

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms. No additional remuneration is payable in relation to any subsequent Tranche of any given Series.

In the event of death, liquidation, retirement, resignation or revocation of appointment of the Representative, such Representative will be replaced by its alternate, if any. Another Representative may be appointed. Collective Decisions in relation to the appointment or replacement of the Representative shall be published in accordance with Condition 11(j).

All interested parties will at all times have the right to obtain the names and addresses of the Representative and the alternate Representative (if any) at the head office of the Issuer.

(c) Powers of Representative

The Representative shall (in the absence of any Collective Decision to the contrary) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders, with the capacity to delegate its powers.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

(d) **Collective Decisions**

Collective Decisions are adopted either (i) in a general meeting (the "**General Meetings**"), or (ii) by unanimous consent of the Noteholders following a written consultation (the "**Written Unanimous Decisions**"), or (iii) by the consent of one or more Noteholders holding together at least 75 per cent. of the principal amount of the Notes outstanding, following a written consultation (the "**Written Majority Decisions**", and together with the Written Unanimous Decisions, the "**Written Decisions**").

In accordance with Article R. 228-71 of the French *Code de commerce*, the rights of each Noteholder to participate in Collective Decisions will be evidenced by the entries in the books of the relevant Account Holder or the Issuer or the Registration Agent (as the case may be) of the name of such Noteholder as of 0:00 Paris time, on the second (2nd) business day in Paris preceding the date set for the Collective Decision.

Collective Decisions must be published in accordance with Condition 11(j).

The Issuer shall hold a register of the Collective Decisions and shall make it available, upon request, to any subsequent holder of any of the Notes of such Series.

(e) **General Meetings**

A General Meeting may be called at any time, either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth (1/30) of the principal amount of Notes outstanding, may address to the Issuer and the Representative a demand for a General Meeting to be called. If such General Meeting has not been called within two (2) months after such demand, the Noteholders may commission one of them to petition the competent court to appoint an agent (*mandataire*) who will call the General Meeting.

General Meetings may deliberate validly on first convocation only if the Noteholders present or represented hold at least one-fifth (1/5) of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. The decisions of the General Meeting shall be taken by a two-thirds majority of votes held by the Noteholders attending such General Meeting or represented thereat.

Notice of the date, time, place and agenda of any General Meeting will be published in accordance with Condition 11(j) not less than 15 days prior to the date of the General Meeting on first convocation and not less than 5 days prior to the date of the General Meeting on second convocation.

Each Noteholder has the right to participate in a General Meeting in person, by proxy or by correspondence.

Each Noteholder or representative thereof will have the right to consult or make a copy of the text of the resolutions which will be proposed and of the reports, if any, which will be presented at the General Meeting, all of which will be available for inspection by the relevant Noteholders at the registered office of the Issuer and at any other place specified in the notice of the General Meeting, during the 15 day period preceding the holding of the General Meeting on first convocation, or during the 5 day period preceding the holding of the General Meeting on second convocation.

The General Meeting is chaired by the Representative. In the event of the absence of a representative at the start of a General Meeting and if no Noteholder is present or represented at the General Meeting, the Issuer may, notwithstanding the provisions of Article L.228-64 of the French *Code de commerce*, designate a provisional chairman until a new Representative has been appointed.

(f) **Written Decisions**

At the initiative of the Issuer, Collective Decisions may also be taken by Written Unanimous Decisions or Written Majority Decisions.

(i) **Written Unanimous Decision**

Written Unanimous Decisions shall be signed by or on behalf of all the Noteholders. Approval of a Written Unanimous Decision may also be given by way of electronic communication allowing the identification of Noteholders in accordance with Article

L.228-46-1 of the French *Code de commerce* ("**Electronic Consent**"). Any such decision shall, for all purposes, have the same effect as a resolution passed at a General Meeting of such Noteholders. Such Written Unanimous Decision may be contained in one document, or in several documents in like form each signed by or on behalf of one or more of such Noteholders, and shall be published in accordance with Condition 11(j).

(ii) **Written Majority Decision**

Notices seeking the approval of a Written Majority Decision, will be published as provided under Condition 11(j) no less than 15 days prior to the date fixed for the passing of such Written Majority Decision (the "**Written Majority Decision Date**"). Notices seeking the approval of a Written Majority Decision will contain the conditions of form and time limits to be complied with by the Noteholders who wish to express their approval or rejection of such proposed Written Majority Decision. Noteholders expressing their approval or rejection before the Written Majority Decision Date will undertake not to dispose of their Notes until after the Written Majority Decision Date.

Written Majority Decisions shall be signed by one or more Noteholders holding together at least 66^{2/3} per cent. of the principal amount of the Notes outstanding. Approval of a Written Majority Decision may also be given by Electronic Consent. Any Written Majority Decision shall, for all purposes, have the same effect as a resolution passed at a General Meeting of the Noteholders. Such Written Majority Decisions may be contained in one document, or in several documents in like form each signed by or on one behalf of one or more of the Noteholders, and shall be published in accordance with Condition 11(j).

(g) **Exclusion of certain provisions of the French *Code de commerce***

Changes in the corporate form of the Issuer, or a merger or a demerger relating to an intra-group reorganisation within the current Group perimeter, where the entity which will assume the liabilities of the Issuer under the Notes is incorporated in a member country of the Organisation for Economic Co-operation and Development (OECD), will not require prior approval by the General Meeting of the Noteholders and consequently, the provisions of Article L.228-65 I 1°, in relation to proposed changes in the corporate form of the Issuer only, and 3°, in relation to the proposed merger or demerger of the Issuer, in the context of such intra-group reorganisation of the French *Code de commerce*, and the related provisions of the French *Code de commerce*, shall not apply to the Notes.

(h) **Expenses**

The Issuer shall pay all expenses relating to the operations of the Masse, including all expenses relating to the calling and holding of Collective Decisions and, more generally, all administrative expenses resolved upon by Collective Decisions, it being expressly stipulated that no expenses may be imputed against interest payable under the Notes.

(i) **Single Masse**

The holders of Notes of the same Series, and the holders of Notes of any other Series which have been assimilated with the Notes of such first mentioned Series in accordance with Condition 13 (*Further Issues*), shall, for the defence of their respective common interests, be grouped in a single Masse.

(j) **Sole Noteholder**

If and for so long as the Notes of any Series are held by a sole Noteholder and unless a Representative has been appointed in relation to such Series, such Noteholder shall exercise all powers, rights and obligations entrusted to the Masse by the provisions of the French *Code de commerce*. The Issuer shall hold a register of the decisions taken by the sole Noteholder in this capacity and shall make it available, upon request, to any subsequent holder of any of the Notes of such Series.

(k) **Notices for the purpose of this Condition 11**

Any notice to be given to Noteholders in accordance with this Condition 11 shall be published on the website of the Issuer (www.carmila.com) and,

- (i) in the case of the holders of Notes in registered form (*au nominatif*), mailed to them at their respective addresses, in which case they shall be deemed to have been given on the fourth (4th) weekday (being a day other than a Saturday or a Sunday) after the mailing; or
- (ii) in the case of the holders of Notes in bearer form (*au porteur*), given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream and any other clearing system through which the Notes are for the time being cleared.

Any decision to proceed with a transaction, notwithstanding the failure to obtain Noteholders' approval, as contemplated by Article L.228-72 of the French *Code de commerce* will be notified to Noteholders in accordance with this Condition 11(j). Any Noteholder will then have the right to request redemption of its Notes at par within 30 days of the date of notification, in which case the Issuer shall redeem such Noteholder within 30 days of the Noteholder's request for redemption.

If a merger or a spin-off is contemplated by the Issuer, the Issuer will have the option to submit the proposal for approval by a Collective Decision of the Masse or to offer redemption at par to Noteholders pursuant to Article L. 228-73 of the French *Code de commerce*. Such redemption offer shall be notified to Noteholders in accordance with this Condition 11(j). If the Masse does not approve the merger or spin-off proposal, any decision to proceed with the transaction will be notified to Noteholders in accordance with this Condition 11(j).

In this Condition 11, the expression "outstanding" does not include the Notes subscribed or purchased by the Issuer in accordance with applicable laws which are held by the Issuer and not cancelled.

12. Replacement of Materialised Notes, Coupons and Talons

If, in the case of any Materialised Notes, a Definitive Materialised Note, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Note, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Notes, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Notes, Coupons or Talons must be surrendered before replacements will be issued.

13. Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes to be assimilated (*assimilées*) and form a single series with the Notes provided such Notes and the further notes carry rights identical in all respects (or in all respects save for the nominal amount thereof, the issue price and the first payment of interest specified in the relevant Final Terms) and that the terms of such further notes provide for such assimilation and references in these Conditions to "Notes" shall be construed accordingly.

14. Notices

- (a) Subject to Condition 14(d), notices to the holders of Dematerialised Notes in registered form (*au nominatif*) shall be valid if either, (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth (4th) weekday (being a day other than a Saturday or a Sunday) after the mailing, or, (ii) at the option of the Issuer, they are published in a leading daily newspaper of general circulation in Europe (which is expected to be the *Financial Times*); provided that, so long as such Notes are admitted to trading on any Regulated Market and the rules applicable to such Regulated Market so require, notices shall be valid if published in a

daily newspaper with general circulation in the city/ies where the Regulated Market on which such Notes is/are admitted to trading is located which, in the case of Euronext Paris, is expected to be *Les Echos*, and as otherwise required by the applicable rules of that Regulated Market, as the case may be.

- (b) Notices to the holders of Materialised Notes and Dematerialised Notes in bearer form (*au porteur*) shall be valid if published in a daily leading newspaper of general circulation in Europe (which is expected to be the *Financial Times*) and so long as such Notes are admitted to trading on any Regulated Market and the rules applicable to such Regulated Market so require, in a leading daily newspaper with general circulation in the city/ies where the Regulated Market on which such Notes is/are admitted to trading is located which, in the case of Euronext Paris is expected to be *Les Echos*, and as otherwise required by the applicable rules of that Regulated Market, as the case may be.
- (c) If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe, provided that so long as such Notes are admitted to trading on any Regulated Market, notice shall be published as otherwise required by the applicable rules of that Regulated Market, as the case may be. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Holders of Coupons shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Materialised Notes in accordance with this Condition.
- (d) Notices required to be given to the holders of Dematerialised Notes (whether in registered or in bearer form) (*au nominatif ou au porteur*) pursuant to these Conditions may be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream and any other clearing system through which the Notes are for the time being cleared in substitution for the mailing and publication as required by Conditions 14 (a), (b) and (c) above; except that so long as such Notes are listed on any Regulated Market and the rules applicable to such Regulated Market so require, notices shall also be published in a daily newspaper with general circulation in the city/ies where the Regulated Market on which such Notes are admitted to trading is/are located which, in the case of Euronext Paris is expected to be *Les Echos*, and as otherwise required by the applicable rules of that Regulated Market, as the case may be.

TEMPORARY GLOBAL CERTIFICATES ISSUED IN RESPECT OF MATERIALISED NOTES

A Temporary Global Certificate, without interest Coupons, will initially be issued in connection with Materialised Notes. Upon the initial deposit of such Temporary Global Certificate with a common depository for Euroclear and Clearstream, Luxembourg (the "**Common Depository**"), Euroclear or Clearstream, Luxembourg will credit the accounts of each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depository may also credit with a nominal amount of Notes the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, a nominal amount of Notes that is initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Exchange

Each Temporary Global Certificate issued in respect of Notes will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the relevant Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see "Subscription and Sale" below), in whole, but not in part, for the Definitive Materialised Notes; and
- (ii) otherwise, in whole but not in part upon certification as to non-U.S. beneficial ownership (a form of which shall be available at the specified offices of any of the Paying Agents) for Definitive Materialised Notes.

Delivery of Definitive Materialised Notes

On or after its Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to or to the order of the Fiscal Agent. In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Materialised Notes. In this Base Prospectus, Definitive Materialised Notes means, in relation to any Temporary Global Certificate, the Definitive Materialised Notes for which such Temporary Global Certificate may be exchanged (if appropriate, having attached to them all Coupons in respect of interest that has not already been paid on the Temporary Global Certificate and a Talon). Definitive Materialised Notes will be security printed in accordance with any applicable legal and Regulated Market requirements. Forms of such Definitive Materialised Notes shall be available at the specified offices of any of the Paying Agent(s).

Exchange Date

"**Exchange Date**" means, in relation to a Temporary Global Certificate, the calendar day falling after the expiry of 40 calendar days after its issue date, *provided that*, in the event any further Materialised Notes are issued prior to such day pursuant to Condition 13(a), the Exchange Date for such Temporary Global Certificate shall be postponed to the calendar day falling after the expiry of 40 calendar days after the issue of such further Materialised Notes.

USE OF PROCEEDS

Unless otherwise specified in the relevant Final Terms, the net proceeds of the issue of Notes will be used for the general corporate purposes of the Group.

DESCRIPTION OF THE ISSUER

The description of the Issuer is set out in the 2019 Universal Registration Document incorporated by reference herein (please see the section headed "Documents Incorporated by Reference" on pages 22 to 26 of this Base Prospectus).

FORM OF FINAL TERMS

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPS ONLY TARGET MARKET – Solely for the purposes of [the/each] manufacturer's product approval process, the target market assessment in respect of the Notes taking into account the five categories referred to in item 18 of the Guidelines on MiFID II product governance requirements published by ESMA dated 5 February 2018, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU on markets in financial instruments (as amended, "**MiFID II**"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EEA AND THE UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**") or the United Kingdom ("**UK**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU on markets in financial instruments (as amended, "**MiFID II**"); or (ii) a customer within the meaning of Directive 2016/97/EU on insurance distribution, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA or the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA or the UK may be unlawful under the PRIIPs Regulation.

SUBSCRIPTION AND SALE

OVERVIEW OF DEALER AGREEMENT

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 5 August 2020 (the "**Dealer Agreement**") between the Issuer and BNP Paribas as Arranger and Permanent Dealer, the Notes will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

SELLING RESTRICTIONS

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act ("**Regulation S**").

Notes in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986, as amended, and regulations thereunder.

Materialised Notes will be issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(D) or any successor regulation issued under the U.S. Internal Revenue Code of 1986 as amended (**the "Code"**) section 4701(b) that contains rules identical to the rules that currently apply under Code section 163(f)(2)(B) (**the "D Rules"**) unless (i) the relevant Final Terms states that such Materialised Notes are issued in compliance with U.S. Treas. Reg. §1.163-5(c)(2)(i)(C) or any successor regulation issued under Code section 4701(b) that contains rules identical to the rules that currently apply under Code section 163(f)(2)(B) (**the "C Rules"**) or (ii) such Materialised Notes are issued other than in compliance with the D Rules or the C Rules but in circumstances in which the Notes will not constitute "registration required obligations" under the United States Tax Equity and Fiscal Responsibility Act of 1982 ("**TEFRA**"), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable. TEFRA will not apply to Dematerialised Notes.

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Dealer Agreement, it will not offer, sell or, in the case of Materialised Notes, deliver the Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 calendar days after the completion of the distribution of any identifiable Tranche (**the "distribution compliance period"**) within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the preceding sentence have the meanings given to them by Regulation S.

In addition, until calendar 40 days after the commencement of the offering of any identifiable tranche of Notes, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering of such tranche of Notes) may violate the registration requirements of the Securities Act.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. This Base Prospectus does not constitute an offer to any person in the United States. Distribution of this Base Prospectus by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States, is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States, is prohibited.

- 15 Certain of the Dealers and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and its affiliates in the ordinary course of business. In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the

accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or its affiliates. Where there is a lending relationship between the Issuer and one or several Dealers, it cannot be excluded that all or part of the proceeds of an issue of Notes be used to repay or reimburse all or part of such loans. Certain of the Dealers or their affiliates that have a lending relationship with the Issuer routinely hedge their credit exposure to the Issuer consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Notes issued under the Programme. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments. For the purpose of this paragraph, the term "affiliate" also includes parent companies.

Potential conflicts of interest may arise between the Calculation Agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain discretionary determinations and judgments that such Calculation Agent may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes.
